

JONATHAN HERRON

authentic | creative | strategic

“I admire the **passion** that Jon has to take **timeless truths** and **communicate** them in a way that is **relevant and meaningful.**”

- **PERRY NOBLE**

senior pastor, NewSpring Church
16th-fastest growing church in North America

I **understand** the **challenge** of finding the right speaker. In my 11 years of full-time ministry, I have been responsible for retreats and conferences of all sizes.

What I've discovered is that **a quality speaker shapes the success** of an event. *I want to be your guy.* With message topics **tailored** to your goals & flavor, I bring the **added bonus** of an **improv-comedy element** from studying directly under **Tina Fey**.

Drop me a line. I'd be honored to serve at your next event.

“Jon is one of our **veteran speakers**.

Crowds enjoy him and he does a **phenomenal** job.

He's funny, his heart for Christ **radiates** in his messages

and his content is founded in the Word. **I recommend** him.”

- **JONATHAN MCKEE**

MY COMMITMENT TO YOU

Select me as a speaker, and I will give you a **110% effort**.

I will act as a **catalyst**, helping you achieve the goals you've set for your event. **When you win, I win.** It's as simple as that.
